Why do you believe the Nominee is a qualified candidate for this position?

During my service in this position, I have supported the President and Board of Directors in creating and updating policies that will align with new ONCA regulations, participated in various committees at LVC continue to support the Board administratively. My passion for volleyball and keeping youth in sport feeds my desire to continue my pathway as a qualified coach and I feel this brings a unique perspective to the Board with the ability to bridge gaps between administration and operations.
